Based on the above, when there are greater demand for certain optional subjects and less demand for some other optionals,Teacher Training Colleges are being permitted to reallocate seats from the optional subjects of less demand to the optionals of greater demand subject to the conditions stipulated as per the aforementioned University Order.

2. The sanctioned strength of a programme is decided by assessing several parameters like space,teaching faculty, student teacher ratio etc. in order to ensure the quality of education. Any change in the sanctioned strength / intake of students should reflect in the parameters, with proportionate increase, in order to see that the quality of education is not compromised.

3. As per the reference read as first above, a Syndicate sub-committee has been constituted for detailed study of norms for re-allocation of BEd seats to be followed. The sub-committee recommended to limit the re-allocation of optional subject to a maximum of 40% of the sanctioned strength of the optionals concerned w.e.f 2019 admission onwards. The recommendation of the sub-committe was placed before the Syndicate for consideration and appropriate action.

4. The Syndicate meeting held on 16/03/2019 considered and approved the above matter. The Syndicate further resolved that the DoA shall intimate the schedule of the re-allocation and the colleges concerned shall issue press release in the leading dailies prior to re-allocaton. Also, re-allocation shall not be granted to the same optionals in continuous years.

5. The Vice Chancellor has accorded sanction on 20/03/2019 to implement the above resolutions of the Syndicate. The following orders are, therefore, issued.
