| B.A. Tamil Language and Literature Honours / B.A. Tamil with History and Economics Honours | TML3CJ202 - Nannool - Ezhuththu                           |
| B.A. Urdu Language and Literature Honours                                                  | URD3CJ202 - Qaseeda Aur Nazm                              |
| B.A. Visual Communication Honours                                                          | BVC3CJ202 - Advanced Photography                          |
| B.A. Veena Honours                                                                         | VNA3CJ202 - Theory of Music - I                           |
| B.A. Violin Honours                                                                        | VLN3CJ202 - Sangeethasaasthra-I                           |
| B.A. West Asian Studies Honours                                                            | WAS3CJ202 - Introduction to Kerala History                |
| B.Sc. Applied Physics Honours                                                              | APH3CJ202 - Computational Physics                         |
| B.Sc. Applied Statistics with Data Science Honours                                         | ASD3CJ202 - Bivariate Random Variables and Limit Theorems |
| B.Sc. Aquaculture and Fishery Microbiology Honours                                         | AFM3CJ202 - Biology of Fishes                             |
| B.Sc. Aquaculture Honours                                                                  | AQC3CJ202 - Biology of Fishes                             |
| B.Sc. Artificial Intelligence Honours                                                      | AIN3CJ202 - Data Structures and Algorithm                 |
| B.Sc. Biochemistry Honours                                                                 | BCH3CJ202 - Biomolecules II                               |
| B.Sc. Biotechnology Honours                                                                | BTY3CJ202 - Cell Biology                                  |
| B.Sc. Botany Honours                                                                       | BOT3CJ202 - Plant Anatomy & Analytical Techniques         |
| B.Sc. Chemistry Honours                                                                    | CHE3CJ202 - Organic Chemistry I                           |
| B.Sc. Computer Science Honours                                                             | CSC3CJ202 - Data Structures and Algorithms                |
| B.Sc. Cyber Security Honours                                                               | CYS3CJ202 - Data Structures and Algorithm                 |
| B.Sc. Electronics Honours                                                                  | ELE3CJ202 - Digital Electronics                           |

|                                                  |                                                     |                                                  |
|--------------------------------------------------|-----------------------------------------------------|--------------------------------------------------|
| <p>Tuesday<br/>10<sup>th</sup> November 2026</p> | B.Sc. Environment and Water Management Honours      | EVS3CJ202 - Environmental Geology                |
|                                                  | B.Sc. Family and Community Science Honours          | FCS3CJ202 - Textile Wet Processing               |
|                                                  | B.Sc. Food Technology Honours                       | FTL3CJ202 - Food Chemistry                       |
|                                                  | B.Sc. Genetics Honours                              | GEN3CJ202 - Molecular Biology                    |
|                                                  | B.Sc. Geography Honours                             | GEO3CJ202 - Advanced Climatology                 |
|                                                  | B.Sc. Geology Honours                               | GEL3CJ202 - Crystallography & Stratigraphy       |
|                                                  | B.Sc. Hotel Management and Catering Science Honours | BHC3CJ202 - Basic Accommodation Operation        |
|                                                  | B.Sc. Hotel Management and Culinary Arts Honours    | BSA3CJ202 - Advanced Food Production             |
|                                                  | B.Sc. Industrial Chemistry Honours                  | ICH3CJ202 - Perspectives of Industrial Chemistry |
|                                                  | B.Sc. Information Technology Honours                | ITY3CJ202 - Data Structures and Algorithms       |
|                                                  | B.Sc. Instrumentation Honours                       | INS3CJ202 - Programming in Python                |
|                                                  | B.Sc. Mathematics Honours                           | MAT3CJ202 - Matrix Algebra                       |
|                                                  | B.Sc. Microbiology Honours                          | MBY3CJ202 - Microbial Metabolism                 |
|                                                  | B.Sc. Nutrition and Dietetics Honours               | NAD3CJ202 - Food Microbiology                    |
|                                                  | B.Sc. Physics Honours                               | PHY3CJ202 - Computational Physics                |
|                                                  | B.Sc. Plant Science Honours                         | PLA3CJ202 - Anatomy, Embryology and Palynology   |
|                                                  | B.Sc. Polymer Chemistry Honours                     | PCH3CJ202 - Polymer Materials                    |
|                                                  | B.Sc. Psychology Honours                            | PSY3CJ202 - Individual Differences               |

|                                           |                          |                                                                        |
|-------------------------------------------|--------------------------|------------------------------------------------------------------------|
| Tuesday<br>10 <sup>th</sup> November 2026 | B.Sc. Statistics Honours | STA3CJ202 - Probability and Random Variables                           |
|                                           | B.Sc. Zoology Honours    | ZOO3CJ202 - Practices in Entomology, Poultry Science and Dairy Science |
